FEARLESS FEMALES

Fearless females is a club designed by Mrs. Allison Colgrove to build confidence, drive and compassion. The club has had a huge positive impact on the school and the club members. The club also features different projects and workshops to focus on the three pillars. "It is a huge passion of mine and I am very proud of the outcome," Mrs. Colgrove said.

SPOTLIGHT ON...

MOCK ELECTION

On Monday, Nov. 7th, Mrs. Thompson's 5th grade English class, along with others, took the election season into their own hands. The students took part in a mock election unit where the candidates were famous pairs that they were familiar with, Skittles vs.

M&M's, Markers vs. Crayons etc. The students had a campaign manager and even had to create a campaign poster, speech and commercial for their candidate. On Tuesday, Nov. 8th, the election results were revealed during lunch.

ABOUT THE WRITER

Hi, my name is Ellie Chandos and I am a Public Relations Intern from Lake Central High School. As part of my work as an intern, I will be promoting all the good things that happen in our school corporation, specifically at Grimmer. I will be writing both Grimmer's and the corporation's newsletter. I also will be writing for different print and online media, such as the NWI Times and the Post Tribune. If there is anything you would like to inform me about, whether it's a PTO event, something your child does or anything else, feel free to email me at echandos@yahoo.com. Thank you!
