- ❖ Student schedule and locker combination information is still available in Skyward
- ❖ Information about Fall athletics will be coming soon, but students who have newly completed physicals can turn them into the Main Office when you come to Grimmer on your assigned day. Also, if your student had a physical last year, the IHSAA has ruled it is still good for 2020-2021!
- ❖ Our vendor has still not given us a date on Yearbook delivery. Once we have a date we will let everyone know.
